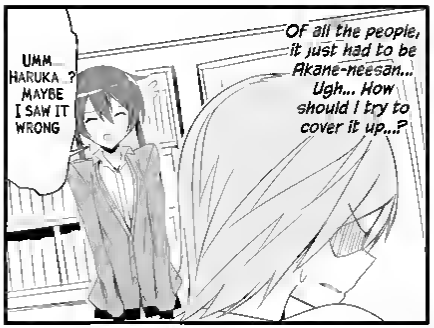
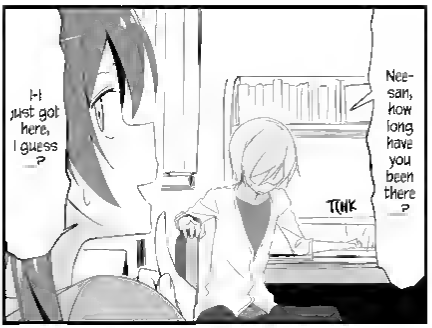
LIVE A LIFE THAT CANNOT BE TIED DOWN

THE THIRD DAUGHTER

SAKURADA AKANE



UMM HARUKA ? MAYBE I SAW IT WRONG
Of all the people, it just had to be Akane-neesan... Ugh... How should I try to cover it up...?



I-I just got here, I guess ...?
TCHK
Nee-san, how long have you been there ...?

Did you even bother to knock on the door?
You know, nee-san.
BUT WASN'T THAT A PICTURE OF M-

HUH?
Did you see ...?

I'm more concerned about you as a person for entering someone's room without getting their permission first.

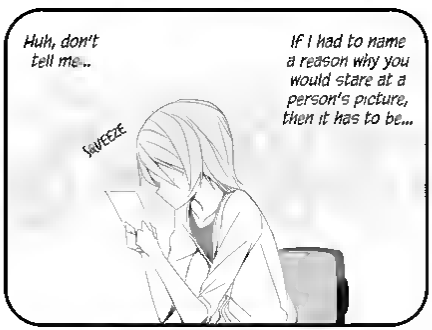
RUMBLE
RUMBLE
RUMBLE
RUMBLE
RUMBLE
RUMBLE
DID. YOU. SEE?

I got this!!
S-SORRY ...!!
Earnest

NOPE
N.....
SO YOU DID SEE!?

Wh-Why's he trying to hide it...?

TCH.
TCH!?
HEY, DON'T PLAY DUMB WITH ME!



Huh, don't tell me...
If I had to name a reason why you would stare at a person's picture, then it has to be...
SQUEEZE

Alright, I'll talk, so just calm down

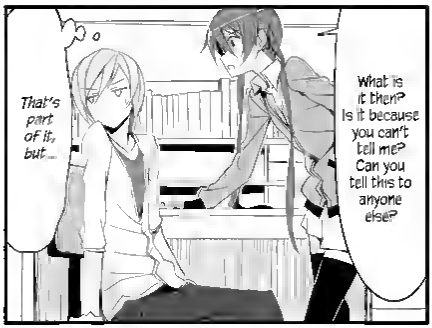
No, no, that isn't the problem here If he really feels that way, that would be problematic in it's own way and all— oh, but it's not like I hate Haruka or anything, it's just that it's too sudden and—
N-No, Haruka—! We're siblings, you know!

.....
Wh-What you saw just now was... you know, that thing. It's your doppelganger, nee-san—

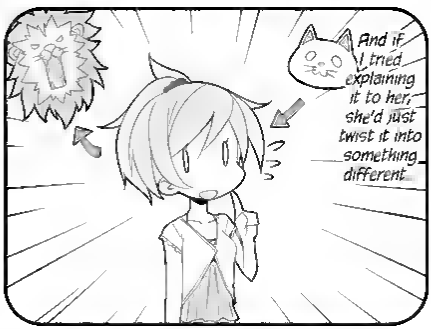
I CAN TELL FROM YOUR FACE
JERK! DON'T READ MY MIND!
IT'S NOT WHAT YOU THINK

You're trying too hard, Haruka...!

Do you know what these pictures are about?
It'd be bad if Misaki heard about this. Who knows what she'd say...



That's part of it, but...
What is it then? Is it because you can't tell me? Can you tell this to anyone else?



And if I tried explaining it to her, she'd just twist it into something different...

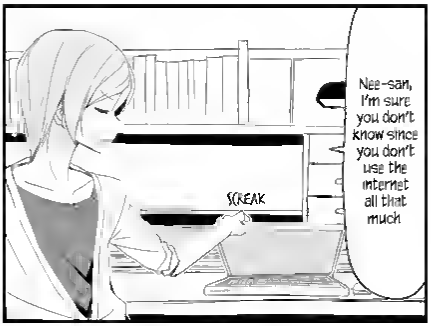
Hello, Misaki? Haruka is—
WAAAAAAH!?

No, no, wouldn't I be getting my priorities backwards that way?
Wouldn't it be better for me to fess up instead then?

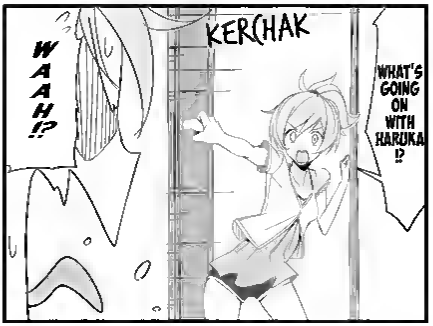
WAIT, IT DOESN'T MATTER WHO IT IS, IT'S NOT SOMETHING I CAN TALK ABOUT!
Pop
BUT YOU DEFINITELY DON'T HAVE TO WORRY ABOUT THIS NEE-SAN, SO IF POSSIBLE COULD YOU FORGET THIS EVER HA-

TIME'S UP.
JUST A LITTLE MORE!

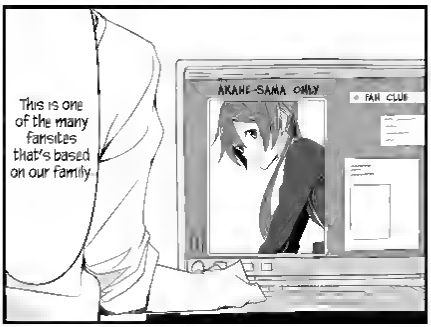
Zzzz
Zzzz
Zzzz
JUST GIVE ME SOME TIME!!



SCREAK
Nee-san, I'm sure you don't know since you don't use the internet all that much



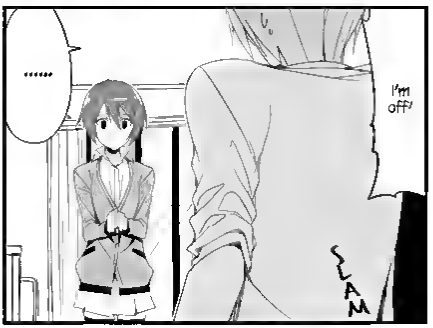
KERCHAK
WAAH!?
WHAT'S GOING ON WITH HARUKA!?



This is one of the many fansites that's based on our family
AKANE-SAMA ONLY
FAN CLUB

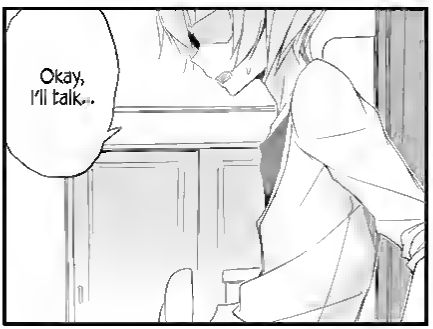
YOU WILL!?
Misaki! If you go get some flan in front of the station right now, I'll take you out to the amusement park next week!

!?
I was just sending in requests asking to get the uploaded images of you on here removed.



.....
I'm off!
SLAM

What a pain
Fansites...?
S-SO THAT MEANS...!?

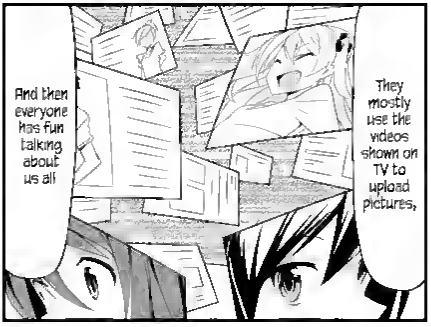


Okay, I'll talk...

Like what do they talk about...?
Uh, well... stuff like how we're cute or how they like this part of us...

Fansites are... well, basically unofficial sites made by people who are fans of our family
If there's a consensus, they could tailor the site to be unique or even do a sibling edition...

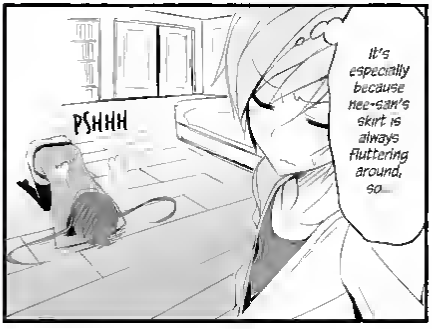
...Or whether they were able to see or not see...



They mostly use the videos shown on TV to upload pictures,
And then everyone has fun talking about us all

SEE WHAT EXACTLY ?
.....

It's approved as a past-time in this country,
But since you're so shy, we kept quiet about it from you...
OREC



It's especially because Hee-san's skirt is always fluttering around, so...
PSHHH

...Did you get that?
IT REALLY GOT ME

If you're willing to do it, then I'll give you all my support
I see
If I become King, then living a comfortable life wouldn't be just a dream.
I know it's hard
What happened to the shopping?
ONEE CHAN! I CAN'T GO OUTSIDE ANYMORE!
But there's still time before the election, so after you give it some thought, we can–
That's okay
But you can't get rid of all the cameras and restrict the internet on a whim
If I want to secure my victory, I can't just sit around and do nothing
CLENCH
There's only two years left
.....!?
GASP
But in this country, there's one individual who's allowed do that all of that.
.....!
IN THAT CASE, YOU CAN START WITH GETTING THE SHOPPING DONE FOR TODAY.
DON'T MAKE ME TOSS YOU OUT OF HERE.
Kana-chan ...?
IT'S THE KING.

I-I'M SERIOUS THIS TIME.
It'd be nice if you don't end up changing your mind overnight, though...

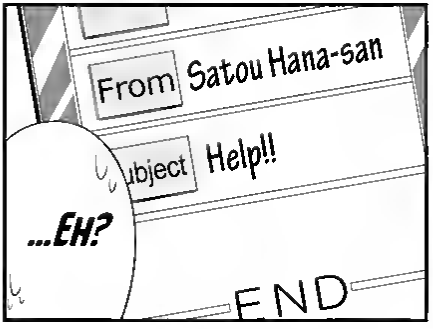
But I hate having my life pushed around a lot more.
No problem, I'm not desperate yet and sure, it'll be hard, too.

Yeah, yeah, just go get the shopping done already.
TAKE DOWN KANA-CHAN!

.....
I'll do it, just you watch!
YOU'RE THINKING ABOUT IT TOO MUCH

Hm? A text?

Akane decided for herself, so as long she says she's going to do it, you should just support her



From Satou Hana-san
Help!!
...EH?
END

...Yeah.
